Slow and Stately

1. O land of our birth, O gem of God's earth,
8. Then let us rejoice With heart, soul and voice,

O Is - land so strong and so fair;
And in the Lord's promise con - fide;

Built firm as Bar - rool, Thy throne of home rule
That each sin - gle hour We trust in his power

Makes us free as thy sweet moun - tain air.
No ev - il our souls can be - tide.
