Dy chur da shenn deiney goll myr ny guillyn, as guillyn goll myr feeaih.

Ta'n grine veg oarn, ta'n grine veg mie as daase rieu ayns yn aaie

The wee grain of barley, it is good grain and it always grew in the home-field,  
To make the old men go like boys, and boys go like deer.

The wee grain of barley, it is good grain and it always grew in the home-field,  
To let tongues run like streams and talk through the night.

The wee grain of barley, it is good grain and it always grew in the home-field,  
To make old women go like the wind and leap about the house.
